LUNCH: Will be served on the grounds.

1. The auctioneer will settle any disputes as to bids.
2. **Terms:** Cash, unless arranged before the sale between seller and buyer and clerk so notified.
3. **Guarantee:** All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bang's within 30 days or are calfhood vaccinated. Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation. The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.
4. The Sale Manager and Clerk act only as agents for the several consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.
5. Your sale manager liked a feature at the Perth, Scotland, sale in 1960. The seller stood near the auction block. He could state a "Reserve Bid" or have the auctioneer announce "No Sale". We will follow that practice. In case of a "No Sale", the seller pays the regular prorata sale expense but there will not be any manager's fee. However, if any animals are "By-Bid", there will be due the manager's 2% fee.
6. A Certificate of Registry and signed transfer will be furnished for each lot sold and an application for registry will be furnished, for each calf sold at foot.
7. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.
8. **Mail Bids:** Those wishing to buy at this sale and who cannot attend may send their bids to the auctioneer, sale manager, or special representatives.
9. **Auctioneer:** J.E. Halsey, Des Moines.
10. **Special Representatives:** Rex Conn, Cedar Rapids Gazette, Harvey Neitderhisar, Ringman with the amplifier, North Liberty, Gene McDonald of the Shorthorn World, Tom Sherlock, Wallaces Farmer, Roy Wagener, Bellevue.
11. **Clerk:** Keith Noll, Vice-President, Peoples Bank and Trust Company, Cedar Rapids, Iowa.
12. **Sale Manager:** Earl S. Girton, Box 732, Marshalltown, Iowa. Phone: 753-3693. **Assistant Sale Manager:** Merne Anderson, Victor, Iowa. He will handle the health charts.
13. The sale manager or others may be reached by phone listed as Hawkeye Downs, 6th St., No. Empire 34341.

The Show

Our consignors have wished to keep the identity of Hawkeye Downs Shorthorn and Polled Shorthorn Sales separate on account of having a sale for each branch of the breed in September. However, for the first time, they have voted to show and sell both branches together in this joint sale.

The Show: 8:45 A. M., March 14, 1964.

The judge will be Glen Struve, Manning, Iowa - One of our finest breeders and exhibitors of Shorthorns.

Part 3-CLUB HEIFERS

The Grand Champion Steer over all breeds at the 1963 Iowa State Fair. Bred in our Hawkeye Downs Area by a regular consignor, Donald Johnson, to our Hawkeye Downs fall sales.

THE OFFERING OF 4-H AND FFA CLUB HEIFERS

For several years we, at Hawkeye Downs, have been stressing the offering of Shorthorn and Polled Shorthorn calves for 4-H and FFA Club work. We have our sales on Saturdays so that our young people can attend them without missing school work. We invite them to be with us to consider this large and good offering of Club Heifers.

In the fall sales we offer steer calves and then purebred heifers in the spring sales. Last fall we sold over forty steer calves and this spring we are offering 17 heifers calved in 1963. Many of these heifers will be of sufficient quality for girls and boys to fit for the shows or to take home and start breeding herds.

A number of Shorthorn and Polled Shorthorn breeders will supply the services of their herd bulls for use where club members do not have access to a herd sire at home. Steven Burnett has sold two bulls in our Hawkeye Downs sales, both by Louada Aristocrat. We understand that Billy Anderson donated the services. He is selling another Aristocrat calf with Lot 22.

If services of a real good bull are not available near by then club members may have their heifers bred by Artificial Insemination by using the following form:

AMERICAN SHORTHORN ASSOCIATION
LIVESTOCK EXCHANGE BLDG.
OMAHA 7, NEBRASKA

THE SHORTHORN INFLUENCE

John Catron, cattle and sheep operator at Camp Crooke, S. D. set about to prove something to himself about the competitive-ability of beef breeds. He placed a Shorthorn bull, a Hereford bull and an Angus bull (each a 2-year-old) with 120 commercial Hereford cows. He weaned his calves as lightweights and discovered this:

105 calves were dropped—

47 were Shorthorn crosses averaging
330 lbs. at weaning.

34 were Herefords averaging
306 lbs. at weaning.

24 were Angus crosses averaging
313 lbs. at weaning.

John Catron has scales on his 56,000 acre ranch. He knows for sure.

The "SHORTHORN INFLUENCE" gave him 15,510 pounds of saleable beef.

The Herefords - 10,404 pounds.

The Angus - 7,512 pounds.
